

**Michigan Occupational Therapy Education Consortium (MOTEC)
2017 Fieldwork Educator Days**

Centennial Supervision

Who Should Attend?

This workshop is designed for fieldwork educators for occupational therapy and occupational therapy assistant students. This includes those who are fieldwork education coordinators, supervisors, experienced fieldwork educators, and those who are new to or interested in becoming fieldwork educators.

The purpose of MOTEC Fieldwork Educator Days is to provide tools and resources to support best practice in fieldwork education and to share developments in Michigan occupational therapy programs.

Learning Objectives

- Gain insight into fieldwork educator perspectives on how to facilitate student learning.
- Provide new fieldwork educators with the knowledge necessary to offer quality fieldwork experiences.
- Define OT and OTA role delineation and intraprofessional education.
- Explore the use of collaborative models in fieldwork education.
