Lunch with Bret Marr, MiOTA Lobbyist
Monday, October 12th
Time: 12:30 pm

Bret Marr the MiOTA lobbyist will present on the current legislation issues that may impact the practice of Occupational Therapy, reimbursement of services, and/or care of our patients. You will earn PDU credit for attending.

Bret Marr joined MHSA in 2003 after successfully serving as Director of Legislative Affairs for former Governor John Engler. Bret served as the primary contact between the Michigan Legislature and Governor Engler on legislative and appropriations issues. Bret coordinated Michigan's electric restructuring plan in the Legislature as well as the rewrite of Michigan's Telecommunications Act. He also shepherded numerous changes to Michigan's tax structure, including a rewrite of the Brownfield program and streamlining of the tax reverted property process.

Consistently voted one of Lansing's top lobbyists, Bret's focus is now on hospitality, healthcare, transportation and general business issues. He also manages several appropriations issues for MHSA's clients. In recent years, he has successfully secured funding for the Detroit Super Bowl XL Host Committee, state approval of a new events center in the City of Detroit and directed the efforts of a coalition moving Michigan's school start date to after Labor Day.

Prior to serving Governor Engler, Bret was Director of Government Affairs for the Michigan Restaurant Association (MRA). He served as the MRA's Lansing and Washington, D.C. lobbyist and coordinated a strong grass roots program. Bret began his career in the Michigan Senate as Communications Director for the Chair of the Education Committee. While a Senate staff member, he served as policy advisor to the Appropriations Committee and advisor to the Economic Development and Financial Services Committees.

Bret graduated with a bachelor of science in Public Affairs Management from Michigan State University and received his Masters of Public Administration, also from MSU, where he graduated with honors. He served on the Michigan Travel Commission and is a member of the Michigan Political History Society. He also coaches youth soccer and hockey.
