

January 1, 2026

Dear Potential Exhibitor,

The 2026 fall conference will be held at the Bavarian Inn of Frankenmuth, Michigan. The exhibit space will be in the lobby area of conference space of the hotel. There are two levels to the facility: an upper level and a lower level. The lower level is where the registration desk will be located. The upper level is where the general session room is located.

Attendees are encouraged to visit exhibit space. For every exhibit space attended, .25 contact hours of continuing education credit is earned. Attendees will have the opportunity to visit exhibitor space between each breakout session, during the lunch hour, during registration and the Thursday and Friday evening events.

As exhibitors, you may host drawings. It is completely optional. If you would like, at the business meeting on Saturday morning, we are happy to announce the winners.

Set up may begin on Thursday as early as 9 am. Tear down may begin on Saturday at 1 pm (after lunch).

We look forward to your participation.

Sincerely,

MiOTA Conference Planning Committee
