Building Intentional Learning Experiences

2016 MOTEC Fieldwork Educator Days

Sponsored by:
Michigan Occupational Therapy Education Consortium

The purpose of this workshop is to provide tools and resources to support best practice in fieldwork education and to share developments in Michigan occupational therapy programs.

Learning Objectives
- Gain insight into student perspectives on the fieldwork experience.
- Provide new fieldwork educators with the knowledge necessary to offer quality experiences.
- Utilize a framework to solve ethical dilemmas that can occur for students, fieldwork educators, and programs.
- Select from a variety of resources that can assist in creating intentional learning moments.

Who Should Attend?
This seminar is for personnel who are fieldwork educators for occupational therapy and occupational therapy assistant students. This includes those who are fieldwork education coordinators, supervisors, experienced fieldwork educators, and those who are new to or interested in becoming fieldwork educators.
