Thank you for your continued membership as an associated of MiOTA. Our membership has grown this past month with the largest membership category being in student membership. It is great to see our student engagement, thank you educators for encouraging membership as we know your influencing the professional involvement of your students.

We have had a membership drive of a 20% discount during the month of April through May 15th and unfortunately did not grow any OT or OTA membership during April. As the membership director, I approach every encounter with a peer occupational therapy professional with some type of reference to MiOTA. Please talk about the

membership discount and encourage members to attend. Have your elevator speech ready – Why are you a member? Is it networking? Professional engagement? Giving back to the profession? Being informed about potential issues impacting the practice of occupational therapy?

Thank you for your membership. We are looking forward to celebrating our association's 100-year anniversary in October. It will be a great conference. Sincerely, Cathleen Johnson, Membership Director

MiOTA's 100th Anniversary

MiOTA is celebrating 100 years. At this year's conference everyone will have the opportunity to bid at the silent auction on a lap quilt/wall hanging (see photo). This quilt was made by one of the residents at Masonic Pathways in Alma Michigan. This

IN THIS ISSUE

resident who happens to be 100 years old, spent at least 5 days a week quilting and made this quilt during November, December 2018 finishing it in January, 2019. In her words, "quilting is my job, I just went to work every day". By the way, one key factor I failed to mention is that this resident is legally blind. The several years without vision did not prevent her from pursuing her hobbies and goals of continuing to quilt. However, due to a recent fall she has had a set back and may not be quilting any longer, so she and her daughter have donated this wonderful gift to our profession.

So:

Come to the Annual Conference in Frankenmuth
Thursday, October 10th -
Saturday, October 12th.

Come bid on this wonderful quilt.

Come celebrate your profession.

Come celebrate with your peers.

It's never too early to start getting excited for our Michigan's 100th year of OT!

MOTEC News

MOTEC (Michigan Occupational Therapy Education Consortium) would like to remind you of the upcoming **free** Fieldwork Educator Days in 2019:

Empowering the Future of OT

Friday, May 10th- Western Michigan University

Friday, September 27th- Wayne State University

Friday, November 8th- University of Michigan Flint

All days will include the same program content. Participants will receive **6 free** professional development units (PDUs).

The content will include tips for new fieldwork educators, strategies for adjusting supervision styles to meet diverse student needs, entry-level scoring guidance using the AOTA Fieldwork Performance Evaluation (FWPE) for the OT and OTA student, administrative updates on MiOTA, AOTA, and ACOTE topics, as well as tips from prior students on creating a positive fieldwork experience.

Registration forms are available through your local OT/OTA academic programs as well as on the MOTEC page of the MiOTA website.

Promoting Evidence-Based Practice with Partnerships

Evidence-based practice (EBP) has become an expectation of occupational therapy practitioners, yet barriers prevent therapists from effectively incorporating EBP principles into their daily practice. An article written by Zapletal, Vesey, and Johnson (2018) suggests an effective strategy that could be used to bridge the gap between research and clinical practice. By collaborating with academic institutions, through Level II Fieldwork affiliations, fieldwork educators reported changes in attitudes towards EBP as well as changes in their practice with incorporation of new information, techniques, and treatment. For further information, you can locate this article in the September 24, 2018 issue of OT Practice.

If you are interested in taking fieldwork students, please reach out to your local academic programs! The contact list for all programs in the state of Michigan can be found on the MOTEC page of the MiOTA website using the link above. Thank you to all in the state who support fieldwork education.

The MiOTA Membership committee is encouraging **ALL OT PROGRAMS** to invite us to come speak to your class. We want to share with students the importance of becoming a MiOTA member, what membership dues account for, what changes are happening in the Michigan OT world and answer any questions we can. The meetings are brief and can be held during a class or SOTA meeting via Skype, phone conference or in person.

Please contact Sonny Grendel with any questions and if you would like to schedule a time for one of us to come speak. Thank you!

Member Spotlight

Name and Qualifications: Jayne Yatzak, PhD, OTR/L

Where do you practice OT?

My current OT practice is in academia. I am the Program Director of Eastern Michigan University's occupational therapy program. My primary practice area is older adults.

When / where did you graduate from school? I have a Bachelor's degree in psychology from the University of Michigan. I received my Bachelors and Masters in occupational therapy from Eastern Michigan University. I also have a Graduate Certificate in Gerontology specializing in dementia care from Eastern Michigan University. **Your higher qualifications?** I completed my PhD in anthropology at Wayne State University.

What do you enjoy doing outside of work? That's a tough question. I like to do a lot of different things. I enjoy being physically active. I run and I teach four different types of Zumba classes. I am a Michigan Master Gardener. I also enjoy reading and knitting. I am always looking to try something new. Cheese making is next on the list. I am from the Upper Peninsula and enjoy going home to visit, especially in the winter. I do not ski, I just have to have snow.

What made you want to be an occupational therapist? I became interested in occupational therapy while working for Washtenaw County Community Mental Health. I was a job coach and OT seemed interesting. A co-worker asked me if I wanted to go back to school. I said, "Sure." She went for social work and I went for OT.

What's your involvement with MiOTA? Currently, I am the member-at-large/secretary.

What do you like about MiOTA/ why should people join? The annual conference is always a great educational experience. I also like the webinars. Those are a few of the things that MiOTA has to offer. I also believe we have a professional responsibility to be members of MiOTA.

Advocacy Updates

On February 21, 2019, MiOTA held its annual Lansing Lobby Day of advocacy for OTs, OTAs, and students around the state of Michigan. Our turnout this year was incredible: over 170 OTs, OTAs, and students attended! Many Occupational Therapy education programs around the state were well represented with students and professors coming from all areas of the state. With recent election changes, our professional advocates had to opportunity to educate over 40 new legislative members on what OT is and what OT does.

MiOTA held a training session in the morning with MiOTA lobbyist, John Smalley and MiOTA Lobby Day committee members Michael O'Connor, Steven Eberth, and Advocacy Director Jeannie Kunz. The OT advocates held with many meetings and conversations with Michigan Senators and House Representatives to discuss Auto No-Fault

insurance reforms. With on-going debates and pending legislative changes to Michigan's Auto No-Fault laws, our message was well-timed! MiOTA's 170-strong advocated for clients and patients to our legislators. We reviewed opposition to tort-only insurance programming and to fee-scheduling which may limit access to Occupational Therapy services. We support Michigan's cost-reduction strategies as well as preserving motor vehicle accident survivors' access to funding for sufficient medical and rehabilitative benefits and retaining some form of lifetime injury coverage for residents.

MiOTA is proud to have had a strong voice in Lansing to advocate for reasonable Auto No-Fault insurance reform while maintaining access to care and benefits for our clients in our great state!

Since Lansing Lobby day, there have been follow up meetings scheduled with OT constituents and MiOTA's advocacy team with interested legislators. This is an exciting step toward action and a perfect demonstration of how our united voice can be powerful to lawmakers. Partnering with your state legislators is a key aspect to continued high-quality occupational therapy services.

In addition to MiOTA's advocacy efforts on Auto No-Fault insurance reform, the Advocacy Committee is following nationwide legislative trends regarding Health Care reform and a multitude of

Medicaid-related changes. Statewide areas to monitor include insurance caps and ABA therapy, co-pay legislation, and pain management initiatives and opportunities. Areas to be monitored and supported are School-Based Occupational Therapy Service Delivery and Mental Health Supports. We are watching regulatory issues that concern scope of practice challenges by other professions and accepting new treatment techniques within our scope of practice. We are reviewing and discussing upcoming legislative issues within the state, including interstate licensures and occupational licensing concerns.

Thank you for your continued support of MiOTA so we can advocacy and support our profession today and tomorrow. Keep Calm and Lobby On!

Jeannie Kunz, MOT, OTR/L,

Communications Updates:

Seeking Newsletter

Coordinator: The Communications Committee is looking for a new Newsletter coordinator. The purpose of the MiOTA Newsletter is to provide a regular update to all members on issues and information pertinent to the practice of OT in the State of Michigan. If you are interested, contact Joanna Coddington <jcoddington@mhsa.com> state.

In Search of Chapter Leaders:

The Western Chapter is seeking a new regional chapter leader. Regional chapter leaders assist with organizing chapter meetings and speakers for meetings.

If you or someone you know are interested in either of these positions, please contact Joanna Coddington at the MiOTA Office at:

jcoddington@mhsa.com

Regional Chapters:

The Michigan OT/OTA General Rules require 20 hours of continuing education for the licensure renewal. Attending local chapter meetings is a great way to earn one free continuing education hour and network with other local practitioners. Chapter information can be found on the MiOTA website-under the Communications tab on the home page. MiOTA members are encouraged to attend any MiOTA chapter meeting regardless of their home geographic area.

Here is some information regarding 2019 meetings. We look forward to seeing you there!

Southwest Chapter:

Next meeting: Tuesday, May 21, 2019

MiOTA 2019 Conference

Based on feedback from membership, Fall Conference will be Thursday, October 10-Saturday, October 12 at the Bavarian Inn in Frankenmuth Michigan. We are looking forward to celebrating the 100 year anniversary of the Michigan Occupational Therapy Association with lots of exciting events. There is still time for exhibitors and sponsors to register, but early bird registration will end May 31st, 2019. To register as an exhibitor, please see the attached registration form at the end of the newsletter or visit the MiOTA webpage. Applications for student ambassadors are now available on the MiOTA Website and will also be attached at the end of this newsletter. Student ambassador applications are due September 3, 2019. Conference registration will open soon on the MiOTA webpage under the "Fall Conference" tab. Details regarding accommodations and presentations can also be found on the MiOTA webpage. We are looking forward to celebrating our centennial anniversary with you all in October!

MiOTA is looking for a few individuals to run for office this year.

Communication Director: This position appoints, (with the approval of the Executive Committee) and oversees the Coordinators of the Newsletter, Website and Listserv coordinator as well as Networking Committees and the subsections of the Networking Committee (Special Interest Sections [SIS] and Chapters). They discharge the duties of the Leader of the Executive Committee in the absence of the Leader; perform other such duties as are assigned by the Executive Committee, and orient incoming elected director at least two (2) months prior to the first day of the fiscal year before the elected member assumes office.

Financial Director: This position is responsible for managing the fiscal affairs of the Corporation so that the financial resources are available to allow the Corporation to achieve its goals. They prepare the budget and present it to the Executive Committee for approval. Act in an advisory capacity to the Agent of the Corporation. Keep full and accurate accounts of all receipts and disbursements of the Corporation or delegate to an Agent for the Corporation as specified within a contract. Arrange for the annual review of the corporation accounts by a qualified accountant.

Submit written statements of financial affairs to the Executive Committee for all Executive Committee meetings and at other intervals as it determines. Review submitted Co-Sponsoring Activity with MiOTA Worksheets and Cost Projections Worksheets with other interested parties and informs the person or persons of acceptance, need for revision, or denial of the proposal. Orient incoming elected director at least two (2) months prior to the first day of the fiscal year before the elected member assumes office. Perform other such duties as are assigned by the Executive Committee.

If any member has interest in any of these positions, please contact the MiOTA office. To be eligible, nominees must be members of both MiOTA and AOTA registered within the state of Michigan to practice and have served on at least one committee of the corporation. A waiver of these qualifications may be granted by a majority vote of the Executive Committee. More information can be shared. Individuals may want to communicate with current officers for more in-depth discussion about the positions to assist in making a decision to be nominated for the offices. Deadline is June 15, 2019. If interested, please contact MiOTA Office.

Michigan Special Education Advisory Committee

MiOTA has been a organizational representative on Michigan's Special Education Advisory Committee since September 2018. The Individuals with Disabilities Education Act (IDEA) mandates each state have an advisory panel to provide input to the State Board of Education and the Michigan Department of Education. The Committee is made up of 33 individuals (administrators, providers, advocates, and consumers) concerned with the education of all children, including students with disabilities. The committee meets monthly during the school year. The mission of the SEAC is to support opportunities for all students in Michigan and especially those with disabilities by gathering, sharing, and disseminating information with the public; advising the State Board of Education; and working with the Office of Special Education.

The three priorities for the 2018/19 year include:

1. Understand and support the Michigan Department of Education's work in it's long-term process of state systemic improvement in support of the Top 10 in 10 priorities.
2. Mandatory professional learning for both incoming special and general educators as well as current educators, to build their capacity to effectively serve students with IEPs in the least restrictive environment.
3. Michigan's Read by Grade Three Law: The Read by Grade Three law includes challenges and implications for students reading below grade level and for special education programs and services.

Donna Case is the delegate that represents MiOTA for a three-year term while Kirsten Matthews is the alternate. For more information about SEAC click on <https://seac.cenmi.org/>.
